Memorandum

TO: Members of the Board of Education
FROM: Peter C. Gorman *PCG*
DATE: October 29, 2010
SUBJECT: Classes with over 35 students

The attached list of courses reflects core classes, AP, IB and elective classes that have more than 35 students. Excluded from this list are classes such as band, chorus, physical education, orchestra, JROTC which benefit from a larger class size.

From this listing of courses by school, it is clear that schools with a higher EDS and benefit from the weighted student staffing have fewer EOC classes with more than 35 students. Even in the lower EDS schools, principals have done an admirable job of protecting core classes required for graduation and non-honors level classes.

A summary of total classes by school is below.
